

## Philips Street Atlas Bolton (City Street Atlases)

This new street atlas of Bolton, Horwich, Walkden, Westhoughton, Atherton, Egerton, Farnworth, Hindley, Kearsley and Little Lever gives comprehensive and detailed coverage of the area with 36 pages at an enlarged scale of 4.5 inches to 1 mile, and 14 pages of ultra-large coverage of central Bolton at 7 inches to 1 mile. The maps are prepared to the same specification as all titles in the Philips Street Atlas series. The contents include a route-planner: two pages of detailed Navigator[registered] mapping giving an overview of the whole area covered by the atlas and marking all major and minor roads; a two-page guide to the top visitor attractions; and, an index of street names and postcodes. The maps show every named road, street and lane, with visitor attractions clearly marked, and one-way streets, pedestrian areas and through-routes all highlighted. Schools, colleges, hospitals, police stations, post offices, car parks, sports centres and local government offices are all featured. Pocket sized, and wire stitched so that it opens out flat, this atlas is ideally suited for both business and leisure use, whether by locals or visitors.
