

# The Heart of Singing: Steps on the Path to Becoming the Singer You Want to Be

The Heart of Singing gives singers of all abilities insight into developing greater confidence and discovering the joyful path to a freer voice. Compelling and passionate, it is the perfect compendium of insight and exercises that support the journey every singer takes to improve performance and enhance vocal awareness. A respected voice teacher for more than two decades, author Diane Haslam explores the power of singing and the importance of understanding yourself - fears, intentions, desires - as you proceed along this path to fulfilling your vocal potential. With a focus on how your thoughts affect performance, the importance of being mindful of the breath and body, dealing with the inner judge, learning to trust, and staying creative, the author guides you to experience your voice afresh. In the process, you will learn the most important lesson of all: you alone hold the key that will open the door to becoming the singer you want to be.
