

## Prentice and his Bog Brush

Prentice Learner faces an unexpected adventure, armed with an unlikely weapon - a toilet brush, of all things! With two new acquaintances, Rhielle and Captain Camp, he is on the journey of a lifetime to discover the truth about his real purpose in life. The question is: will he stay on the golden path long enough to find out what that truth is? Join him as he faces and fights mythical creatures, meets new people, and learns some truths about himself - and his bog brush.
