

## The Tale of Robin Lyth

THE TALE OF ROBIN LYTH A young child is found on the beach near some fishing boats at the North Landing of Flamborough, Yorkshire. Who he is or where he came from no-one knows. He is taken in and raised by a fishing family and becomes a notorious but brave and generous smuggler. He falls in love with a pretty farmers daughter whose family is reluctant to encourage the match because of Robins trade and unknown origins. Robin promises to reform and prove himself worthy of her -- but too late, he is framed for the murder of a coast guard and has to flee for his life. How he is exonerated, the mystery of his birth and his quest to live happily ever after is Robin Lyths tale.
