

The Slangman Guide to STREET SPANISH 2 (2 Audio CD Set) (Spanish Edition)

The ONLY way to pass for a native speaker in any language is to know how the natives really speak that is the inside language of slang and idioms! Now you can hear the real spoken language with Slangman David Burkes audio programs. These programs were designed to be used with the books, and will help you say each word with native pronunciation. First youll hear all the dialogues spoken slowly and deliberately. Next youll hear them spoken again, but THIS time as they would actually be heard in a normal conversation using typical contractions and reductions. Finally, youll hear selected exercises from each chapter to make sure youre on your way to speaking and understanding like a native! This program also offer you the opportunity to hear and compare the many different Spanish accents as the actors on the cassette are from Mexico, Spain, Puerto Rico, Cuba, Argentina, Peru, etc.
