

Successful Managers Handbook

Managing will never be easy, but it doesn't need to be so hard. The NEW edition of the Successful Managers Handbook can help - it's like having a management consultant at your side to provide advice on the challenges you'll face in today's fast-paced work environment. With new and expanded content including Creating Strategic Advantage, Promoting Global Perspective, Leveraging Individual and Cultural Diversity, as well as Managing Technology, each chapter contains tips and development suggestions for learning new skills and fine tuning existing ones. Since it was first published in 1984, the Successful Managers Handbook has proven to be a trusted resource for thousands of managers around the world. In fact, more than 800,000 copies are in circulation! It provides practical, easy-to-use tips, on-the-job activities, and suggestions for improving managerial skills and effectiveness
