

ATJ327 - Swing Into Christmas - Cello/Bass - BK/CD

First of all, this book is intended to be fun! We hope that these unique jazz style arrangements of popular Christmas songs will bring joy to you and to all who hear them. These familiar Christmas pieces have been written in a variety of styles: Swing, Latin, Rock and as ballads. The musical lines are the same for each instrument and can be performed together for even more fun. This jazz play-along collection will give the instrumentalists the opportunity to jam with some of the finest jazz musicians in the world. The rhythm section was recorded live and will serve as great inspiration to your practice time. The included CD contains two versions of each song, which includes a performance of the melody (played by violin) and the one containing just the rhythm section.
