

# The Buddhas Way Of Virtue: A Translation Of The Dhammapada From The Pali Text

Dhammapada means the path of dharma, the path of truth, harmony, and righteousness. It is also one of the most popular and accessible books in all of Buddhist literature. With simplicity and lyricism, Dhammapada consists of short verses gathered by the Buddhas direct disciples after his death and organized by theme: anger, thought, joy, pleasure, and others. The Buddhas timeless teachings take the form of vivid metaphors from everyday life and are well served by this lucid and revelatory translation. An authoritative introduction and exhaustive footnotes offer helpful context for modern readers. Table of Contents
