

How to be an It Girl: A Guide to Being Free and Fabulous

Who is the It Girl? Opposite of a basic girl. The It Girl is someone who inspires. She is causal, yet flawless. She doesn't own haute couture but she owns an expensive pair of jeans and t-shirt that fit her flawlessly. For the It Girl nothing is too difficult to accomplish. In this book the author presents more than just a lifestyle guide. The author aims to inspire women of all ages to free themselves of all inhibitions and become the best version of themselves.
