

Heart to Heart June

Heart to Heart June daily devotionals are designed to bring you encouragement in your daily walk with Christ. The love letter from God flows after Theresa spends time praying and meditating on Gods Word. The words flow out from her heart after seeking Gods heart and the two become one as the words form in a love letter from God to you with a scriptural reference. The monthly books are excerpts from the To Know Me series of Love Letters from God Volume 6. Theresa displays a variety of books to inspire and encourage you in the ups and downs of life. It rains on the just and the unjust. So, if you are feeling up, these Letters will add to your joy, if you are feeling down, these words will lift you up and help you face the day with hope, for nothing stays the same.
