

70ies Erotic Photography Nude Art #09: Erotic Vintage Photography (70s Erotic Photography)

This is a photo ebook with original pictures taken in the early 70ies. Gina Nielsen spend years to collect old erotic material from retired former erotic photographers and published a series of 70ies photo eBooks with the well known erotica eBook publisher & author Brandon Carlscon. See nude girls in very tasty erotic positions from your Mom`s generation. Really interesting to see today because girls are unshaved, have much smaller breasts than women today and the clothing & accessoires is typical for the 70ies and so different. Areal erotic time journey with beautiful and very natural scandinavian girls. Enjoy over 100 photos in this ebook. Please note that this scans been taken from 70ies original slides and can`t compare to today digital photo standards. One other hand this a sign for 100% genuity and originality. See your Mom`s generation sexy now and enjoy the photos. New 70ies titles soon.
