

THE NEW ASTROLOGY POCKET GUIDE

SUZANNE WHITES HUGE BOOK - THE NEW ASTROLOGY is over 600 pages long. So... for quick reference, Suzanne White wrote and published YOUR POCKET GUIDE TO NEW ASTROLOGY. CHECK OUT EVERYONE - new friends and old, enemies and allies alike. THE NEW ASTROLOGY zeroes in on the basic character of each of 144 NEW ASTROLOGY signs. The Cancer/Horse is nothing like the Cancer born in a Dragon year. Dont think a Leo born in a Dog year is anything like a Leo born in a Dragon year. Its uncanny how accurate Suzanne Whites NEW ASTROLOGY portraits are.

What is THE NEW ASTROLOGY? It is Suzanne Whites ingenious and savvy new way of reading character, using both Chinese and western Astrologies. White has developed 144 New Astrology signs. A Cancer born in a Dragon year is a Cancer/Dragon. A Dragon born Cancer is entirely different from a Cancer born in a Tiger or a Dog year. For quick access to the true character (warts and all!) of everybody you meet or already know, get Suzanne Whites POCKET GUIDE TO THE NEW ASTROLOGY. A must addition to everyones library. Available in paperback from Amazon.com
