

## The Second Letter of Peter: Bible Trivia Quiz & Study Guide (BibleEye Bible Trivia Quizzes & Study Guides Book 22)

How to Really Study the New Testament Looking for an enjoyable way to study the Bible by yourself or with friends and family? Tired of reading a passage of scripture and finding that you've forgotten what you just read? Looking for a way to increase your attention and understanding during Bible study? You're just seconds away from deeper engagement with the New Testament scriptures... Study the Bible by Taking Bible Quizzes After Every Chapter If you're like most people, you pay better attention and get more out of what you study when you know that you're going to take a quiz on it. This is why BibleEye Bible trivia quizzes are great study tools to engage with the New Testament text. Here's How it Works: Read a chapter of the Bible, then answer study quiz questions (followed on the very next page with the answers) on what you've just read... After I read one chapter and made it to the questions, I realized that I had just been looking at the words. It took another time through the book for me to pay attention so that I could answer the quiz. - From the ChristianDroid.Com review THEN, a day or two after you study a passage of New Testament scripture, revisit the questions and answers to see how well you retained what you read. Still Not Sure? Read more of what ChristianDroid.Com has to say in their review of one of our BibleEye Bible trivia quiz books: These questions are all fact based and make one realize that many times we are just reading words and not fully understanding what we are reading. In fact, after I read one chapter and made it to the questions, I realized that I had just been looking at the words. It took another time through the book for me to pay attention so that I could answer the quiz... The questions are based solely on the content of the Scripture and do not contain any theological questions making this book useful for all denominations... I remember...when I attended school, I

always paid a little more attention when I knew that there was going to be a pop quiz. This eBook gives me the same feeling. I need to pay attention because there is a 10 question pop quiz at the end of the chapter... These eBooks are a great way to immerse yourself into the New Testament in a way that you have never done before... I am looking forward to checking out the other 26 New Testament books and trying some of the quizzes out on my family. They like stumping Dad with their Bible quizzes but I might just have the upper hand now. We often use Bible quizzes to pass the time when traveling together, so these books will come in real handy on our next family vacation. This book provides the entire New Testament text of The Second Letter of Peter for Kindle, and each chapter is followed by Bible trivia quiz questions and answers.
