

# Wayfarers All: Selections from the Kenneth Grahame Collection of David J. Holmes

This title is from the exhibition on view at The Grolier Club, March 19-May 23, 2008. This exhibition catalog not only celebrates the centenary display of Kenneth Grahame's book *The Wind in the Willows* but also showcases Grahame's letters and association copies from the David J. Holmes collection. It also celebrates the man himself - a quiet man who found solace in the world of imagination, despite many disappointments, and who was both eminent Secretary of the Bank of England and the author of such classic novels as *The Wind in the Willows*, *The Golden Age*, and *Dream Days*.
