

The Daily Newds: A Year in Self-Portrait Drawings on Newspaper

The Daily New(d)s is the debut publication of visual artist Winston Torr and his work, introducing his compilation of 365 days of self-portraits on newspaper in one year. Torr's images alone are more than words. Drawing himself every single day for one year, Torr explores his ideas and himself with full color and black & white drawings to offer an understanding into his practice, personal experience, and psychology. A must have for any fine art book collection. The Daily New(d)s AOE stands for Artists Open Edition This AOE includes text updates as of 2011.
