

Transforming Into an Effective Leader

The purpose of this book is to make individuals cognizance of effective leadership and various leadership styles. This book will describe organizational leadership, educational leadership, and Christian leadership. As well as creating a professional community with a clear vision and mission statement. The leaders vision must be lucrative and compelling. The vision and mission must be transparent as well as easy to follow. The vision must be a crystal clear picture of change with the outcome of the future. Values are the things that you believe are important in the way you work and live. Mission is a commission to carry out an important assignment. It is a plan of action, how to take the group to the next level.
