

Policed (A Kennedy Stern Christian Suspense Novel) (Volume 3)

When Kennedy Stern and her best friend Reuben drag themselves away from their grueling studies to enjoy a night off campus, getting pulled over by a belligerent cop isn't in either of their plans. When the police altercation turns violent, the media notes Reuben's dark skin and labels this instance of police brutality a hate crime. Those Kennedy trusts the most warn her not to get involved, but she owes it to Reuben to pursue justice regardless of the personal cost. Nothing remains a secret when a frenzied media and an embarrassed police department delve into Kennedy's and Reuben's backgrounds. Some truths, unfortunately, grow increasingly more painful the closer they get to the surface.
