

Hannelore Knuts - Ultramegalore

International supermodel Hannelore Knuts (Hasselt, 1977) is the curator of an exhibition in the Fashion Museum of Hasselt that revolves around her career, inspirations and encounters. She will get carte blanche to put together an exhibition that offers a blueprint of her career, spread over ten years, at the highest level of international fashion. Since she gave up her photography studies at the age of 21 to become a professional model, Hannelore walked all the catwalks that matter and determined the look of Chanel, Gucci, Marc Jacobs and Prada.
