

Vintage Fashion & Couture: from Poiret to McQueen

I thought I knew almost everything about the history of fashion until I met Kerry Taylor. The inside-out knowledge she has of garments will inspire both students and designers to look at fashion with fresh eyes. - Sarah Mower, US Vogue This beautiful book by Kerry Taylor - the go-to woman for vintage and antique couture - is a treat for collectors and fashion lovers alike. - The Wall Street Journal Whatever my question about vintage, Kerry Taylor has the answer. Her expertise, knowledge and historical anecdotes have raised the level of interest in this subject hugely. -Lisa Armstrong, Daily Telegraph Named one of Glamour Magazines Must-Read Style Books! Profiled by Vogue and The New York Times and courted by style icons with wardrobes to sell and top designers in search of inspiration, Kerry Taylor is one of the worlds leading experts on vintage fashion and couture. In this lavishly illustrated book, Kerry tells the story of a century of fashion through the work of its key design talents and the memorable women who have worn their creations. All the fashion stars are here from Poiret to McQueen via Lanvin, Chanel, Schiaparelli, Madame Gres, Dior, Balenciaga, Mary Quant, Ossie Clark, Vivienne Westwood, Alaia, and Margiela. For each designer Kerry explores their career through a dazzling range of clothes and accessories, explaining what makes each item so desirable to the collector or wearer of vintage fashion. Each chapter includes at least one style icon whose relationship with fashion has had a lasting impact, including Baba DErlanger, Lauren Bacall, Grace Kelly, Catherine Deneuve, Paloma Picasso and Kate Moss. Illustrated with a mix of gorgeous fashion photography plus images from Kerrys own astonishing archive, this book is set to become an invaluable guide for collectors of vintage (whatever their budget) and all those who love fashion. Contents

includes...Foreword by Hubert de Givenchy Prologue by Christopher Kane
