

Voice of the Soul: Music for Meditation, Yoga & Dance

This album of sacred music can help you relax, meditate, dance, practice yoga, or putter around the house. The mantras in this CD create a field of healing energy for empowerment, clearing blockages, opening the heart and healing the body. You can even just play them in the background while you do housework as they will help clear the energy in your home and nourish and protect your children while they (and perhaps you) play or rest. 10 tracks, 59 minutes
