

Whole Car Poetry: Frank Veleno a.k.a. Hepo

A unique work. Verbal and visually lucid madness. A supersonic voyage between loneliness and alienation in contemporary society. Through a canvas of visionary and majestic form -- the whole car --and a style of poetry that is strongly expressive in its slam inspiration, Frank Veleno inaugurates sincere and original expression with absolutely amazing potential. Prepare for a surprise: whether he finds himself in a train warehouse or at a table with pen in hand, Frank Veleno is doing something new. And it concerns us all.
