

Women with Spirit: Daily Quotations by Inspiring Women

365 quotes by women for your inspiration and consideration! Quotations by women (both celebrated and uncelebrated) are organized by monthly topics, including success, change, happiness, facing the future, love, gratitude, courage, and life, among others. These unique quotes by women are presented one per page so you have a chance to consider each on its own (the Look Inside feature above is intended to give a representative sampling of quotes but its formatting is misleading). Use the book for daily inspiration or review the quotes on specific topics when you need a fresh perspective. If you enjoy quotes by women, also check out *Women with Spirit, Book Two: More Daily Quotations by Inspiring Women*. This is another volume with all new quotes and new monthly topics to inspire, inform, entertain, validate, and at times, challenge you! As with the first volume, each month is assigned a different topic and each daily quote, presented one per page, relates to that topic.
