

A Prison of My Own: A True Story of Redemption & Forgiveness

Infidelity. Deceit. Murder. Faith. Forgiveness. Restoration. One of the most remarkable true stories you'll ever hear. Diane Nichols received repeated phone calls from a stranger. The female caller mocked and ridiculed her, eventually disclosing the most painful news a wife could hear: Diane's husband, John, was having an affair with the 19-year-old caller. Diane couldn't imagine anything worse, but that was before she confronted her husband. The next morning she learned that John had killed his young mistress. Her husband's imprisonment for murder started her on a painful descent into the all-too-familiar realm of deceit, consequences, and ultimately an emotional prison of her own. But the story doesn't end there! This riveting story of a family torn by infidelity and murder is also a story of the triumph of God's amazing power to restore against all odds!
