ALL ABOUT FASHION: You will learn all about wardrobe analysis, wardrobe consulting, principals of art of make up, face shape analysis, smart personal shopping.

Stylists are the people who push each celebrity to make the best dressed list. Fashion Styling is an emerging and a niche field of professionals who are aesthetically enhanced and responsible for building up an image of a brand, a design houses, publishing houses, celebrities and spaces. A fashion stylist is responsible for putting together clothing ensembles to meet the demands of specific clients. A Fashion stylist need a great sense of style that you couple with a sense of fit, a familiarity with this seasons trends, and the ability to pair colors and textures.
