

Young Learners English-Chinese Dictionary (Color Edition) (Chinese Edition)

The dictionary is compiled by the teacher of special grade and senior grade in front line based on Curriculum Criteria of English Teaching in Primary schools prepared by Ministry of Education. 614 of elegant cartoon illustrations are created to facilitate the primary students to understand the entry meaning directly and vividly with fresh version. Each entry word is accompanied with the examples that highlight the context and spoken target, also the precise Chinese translation. 3853 words in total cover all basic words in primary English learning material. The meaning and application of each word in the dictionary is elaborated from multiple perspectives, including phonetics, paraphrase, examples, homonyms and so on, also accompanied by Chinese explanation.
